### **UPDATE ON THE TIMING OF RELEASE OF FINANCIAL RESULTS**

Shareholders are referred to the last quarterly update, dated 17 August 2018, wherein shareholders were provided with an estimated date for the completion of the annual financial statements for the year ended 29 February 2016 (including the restatement of the financial statements for the year ended 28 February 2015), the following factors set out below are to be considered.

The board of Directors of the Company ("Board") and management have assessed the timeframe required to fully integrate the required International Financial Reporting Standards changes and subsequent amendments in its accounting systems, and has estimated that the Annual Financial Statements for the abovementioned years should be released before the end of December 2018.

The Board and management once again express its commitment to the release of these results, and continues to endeavor to meet stakeholder expectations. The Board continues to monitor the progress of the finalization of the abovementioned annual financial statements and will advise shareholders of any changes.
