Prior Period Errors

Significant errors in the application of IFRS arose in previous reporting periods.

Users of these interim financial results are referred to the Integrated Report for the year ended 29 February 2016 for the root causes of the prior year errors as contained in note 5 of the Consolidated Annual Financial Statements which are available on the Company's website: <http://freedomprop.co.za/financials> and the link to the detailed interims as set out below.

Modified review opinion

The Company's auditors, Moore Stephens Cape Town Inc., issued a qualified audit opinion for the year ended 29 February 2016. The reason for the qualification relates to Ligitprops 184 Proprietary Limited. This matter also affects these consolidated interim financial statements and as a result also include a qualified review opinion, an extract of which is set out below:

"Basis for qualified conclusion

The group acquired Ligitprops 184 Proprietary Limited on 1 March 2014.

We were unable to complete our review on the values of certain of the subsidiary's material assets and liabilities at acquisition. Had we been able to complete our review of these account balances, matters might have come to our attention that adjustments might be necessary to the interim financial information.

Qualified conclusion

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion section of our report, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated financial statements of Freedom Property Fund Limited for the six-month period ended 31 August 2016 are not prepared, in all material respects, in accordance with the

International Financial Reporting Standard, (IAS) 34 Interim Financial Reporting, the SAICA Financial Reporting Guides as issues by the Accounting Practices Committee and Financial Pronouncements as issued by the Financial Reporting Standards Council and the requirements of the Companies Act of South Africa.”

A copy of the modified review opinion is available on the Company's website:
