Modified review opinion

The Company's auditors, Moore Stephens Cape Town Inc., issued a qualified audit opinion for the year ended 29 February 2017. The reason for the qualification relates to the acquisition of Ligitprops 184 Proprietary Limited. This matter also affects these consolidated interim financial statements and as a result, also include a qualified review opinion, an extract of which is set out below:

"Basis for qualified conclusion

The group acquired Ligitprops 184 Proprietary Limited on 1 March 2014. We were unable to complete our review on the values of certain of the subsidiary's material assets and liabilities at acquisition and subsequently the review of the profit on disposal of investment in subsidiary. Had we been able to complete our review of these account balances, matters might have come to our attention that adjustments might be necessary to the interim financial information.

Qualified conclusion

Based on our review, except for the effects of the matter described in the Basis for Qualified Conclusion section of our report, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated financial statements of Freedom Property Fund Limited for the six month period ended 31 August 2017 are not prepared, in all material respects, in accordance with the International Financial Reporting Standard, (IAS) 34 Interim Financial Reporting, the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Pronouncements as issued by Financial Reporting Standards Council and the requirements of the Companies Act of South Africa."

The Company is not aware of any other reportable irregularity.
