### TRADING STATEMENT

---

In terms of paragraph 3.4(b) of the Listings Requirements of the JSE Limited, companies are required to publish a trading statement as soon as they are satisfied that there is a reasonable degree of certainty that the financial results for the next reporting period will differ by more than 20% from those of the previous corresponding period.

Accordingly, a review of the financial results for the financial year ended 28 February 2018 by management indicates, with a reasonable degree of certainty, that the financial results for the period ended 28 February 2018, when compared with the published results for the period ended 28 February 2017 ("**Comparative Period**"), will differ as follows:

- earnings per share ("**EPS**") are expected to decrease by 1.42 cents per share to a loss per share of 0.41 cents, as compared to the EPS of 1.01 cents for the Comparative Period, representing a decrease of 141% from the Comparative Period; and
- headline losses per share ("**HLPS**") are expected to increase by 0.40 cents per share to an HLPS of 1.38 cents, as compared to the HLPS of 0.98 cents for the Comparative Period, representing an increase of 41% from the Comparative Period.

It is expected that Freedom will release its financial results in respect of the financial year ended 28 February 2018 on or before 3 July 2020.
