### TRADING STATEMENT IN RESPECT OF THE SIX MONTH PERIOD ENDED 31 AUGUST 2018

---

In terms of paragraph 3.4(b) of the Listings Requirements of the JSE Limited, companies are required to publish a trading statement as soon as they are satisfied that there is a reasonable degree of certainty that the financial results for the next reporting period will differ by more than 20% from those of the previous corresponding period.

Accordingly, a review by management of the financial results for the six month period ended 31 August 2018 indicates, with a reasonable degree of certainty, that the interim results for the period ended 31 August 2018, when compared with the published results for the interim period ended 31 August 2017 ("**Comparative Period**"), will differ as follows:

- earnings per share ("**EPS**") are expected to decrease by 0.71 cents per share to a loss per share of 0.61 cents, as compared to the EPS of 0.10 cents for the Comparative Period; and
- headline losses per share ("**HLPS**") are expected to increase by 0.19 cents per share to the HLPS of 0.56 cents, as compared to the HLPS of 0.37 cents for the Comparative Period, representing an increase in HLPS of 52%.

It is expected that Freedom will release its financial results in respect of the six month period ended 31 August 2018 on or about 28 August 2020.

The financial information on which this trading statement is based has not been reviewed or reported on by the Company's external auditors.
